WELCOME to Nuts' American Pie: Reunion Issue!

➔ TO CELEBRATE the release of *American Pie: Reunion* we asked the film's star Seann William Scott (aka Stifler) if he'd guest edit the mag... and he only said yes! So sit back and enjoy his idea of what the UK's fave men's mag should be like. It's pretty damn good!

There's even a cool interactive bit - here's how it works!

1

Fire up your smartphone and go to the iTunes or Android store to download your **free** *Blippar* app!

2

With the *Blippar* app enabled, point your phone at any page marked with the logo you see here!

"Is this the right way to the gents?"

Stifler takes over at *Nuts*!

The *American Pie* legend takes charge at the world's greatest men's mag for the day!

→ **NUTS** WAS taken over last week by none other than *American Pie* legend Steve Stifler. Yep, the girl-bonkers party animal dropped in to talk about his new film, *American Pie: Reunion*, and generally shake things up.

Being the world's most British magazine office, we set about "Yanking" the place up. Union Jacks were replaced with stars and stripes bunting, our Kate Middleton portrait was "adapted" to pay homage to Stifler's mom and the dressing up box was raided for American clobber.

Top Hollywood bloke Seann William Scott, who plays the mighty Stifler, was even treated to a saucy cheerleader routine from Emma, Rosie and India.

Stifler has rubbed off all over this issue of *Nuts*, and we even have an exclusive interview with him online – to see it, Blipp the cover with your smart phone (see contents for instructions) or head to nuts.co.uk/news. To quote the great man himself: "It's fricking awesome, dudes!"

Kim takes a dip!

It's another Kardashian holiday/
hard day at the office mash-up!

IF KIM Kardashian ever advertises for an intern, we'll climb a mountain of our rivals' dead bodies to grab that job. Why? Well, apart from having a sensationally hot boss, socialite Kim's job essentially seems to be: a) going to parties and, b) going on luxury holidays.

For here she is, relaxing in a pool in Dominican Republic to film her reality show. Later, she went to a party.

And how taxing can administering dry towels and shuffling in the odd rum punch be? It wouldn't even matter that you're paid in the currencies of "looking at Kim" and "washing up".

"Out of the way – that isn't a zebra crossing, you know!"

Lambo's new SUV!

The Aventador goes off-roading!

● It looks like an Aventador in stilettos, and that's because it kind of is. Lamborghini has chosen the Beijing Motor Show to confirm its first return to off-roaders since the '80s with the Urus concept.

● "It will be the fastest-accelerating production 4x4," says Lambo boss Stephan Winkelmann, who knows they needed to bring back a 4x4 after the success of BMW's X6 M, Porsche's Cayenne Turbo and the Range Rover.

● It looks distinctively Lambo, albeit high-riding, with four seats and four doors. The

sleek, low roof falls away to a raked tailgate that features recessed glass.

● You could mistake the Urus for a Reventon or Aventador. It shares that wide front grille and frowning headlights. And the Reventon looked the same as its concept. As did the Aventador. On that basis, Nuts expects the Urus to look

almost identical when it goes into production.

● To top 186mph and make headline 0-62 sprint times of 4.5 seconds, it'll have to be light. Lamborghini engineering boss Maurizio Reggiani says it would incorporate carbon-fibre structural elements combined with aluminium-

All the attention
was making

intensive chassis. Much like an Aventador, then.

- Beyond saying it'll develop "around 600bhp" Lambo is coy about what could live under the bonnet. Reports suggest it's likely to borrow the twin turbo 4.0-litre V8 from Audi's S8, together with electric motor assistance. Yep, a Lamborghini hybrid.

- In order to claim the "fastest production 4x4" accolade, the Urus will have to get to 62 in less than 4.7 seconds – the time of Porsche's Cayenne and BMW's hunchback X6 M. A tall order, but Lambo isn't known for making things slow... or cheap, this won't cost less than £150k.

The original lofty Lambo!

Back in the '80s, Lamborghini gave the world the LM002!

The LM002 off-roader came out in 1986. Dubbed the "Rambo Lambo", it predated the Hummer and came equipped with the same V12 as the Countach supercar.

FOUR VS FOUR!

The goal of this four vs four map is to crush the other team and earn the right to kill the raging Titan, struggling against his chains at the back of the level throughout, then sacrifice it to the gods in a shockingly brutal finale.

GLORIOUS VISUALS!

The lavish detail and epic scale of classic *God Of War* is retained in multiplayer, pushing PS3 to the limit to create a visual spectacle that rivals any action game.

MOVING THE GOALPOSTS!

Multiplayer maps transform as battles rage, with traps, treasures and Titans coming into play, adding a dimension of strategy alongside the brutality.

God Of War Ascension revealed!

Nuts bloodies its hands with a first look at the savagely beautiful sequel

A CYCLOPS screams as its chest is sliced open by a huge sword and gore spurts across the floor...

A horned titan thrashes wildly as its jaw is smashed in half, slobbering buckets of blood... Oh yes, *Ascension* is unmistakably a *God Of War* game, but this scene is acted out by eight players at once, as the game finally goes multiplayer. Fans of ol' grumpy chops Kratos needn't worry either, as he returns next year in the single-player prequel romp.

A quick word with Danny Howard

Radio 1's new hot-shot DJ on his meteoric rise!

**Hi Danny!
Congratulations
on the new show.**

How did you get into the DJing business?

Thank you! I always wanted to be a DJ but never did it until I was about 19. It was actually when I borrowed a friend's decks – they were sitting in his room collecting dust so I asked if I could use them. I practised every single day, sometimes missing uni lectures to do it, and eventually I blagged a set in my student union. I got a friend to go up to the manager afterwards and say how good it was!

So how does a lad from Blackpool bag a primetime Radio 1 slot?

Well, I won the Superstar DJ competition that Radio 1 put on last year – the prize was to play for them in Ibiza at the Radio 1 party. After my set, a producer came up and asked me if I wanted to play at superclub Space that same night, which I was overwhelmed by. Radio 1 then kept throwing bits and bobs at me. Then, out of the blue, they offered me the Saturday show.

Is having dance music on a Saturday afternoon taking it back to the old school?

Yeah, I think there's definitely a gap in the schedule for one mainstream dance show. The first thing that came into my head is that I've been listening to Radio 1 for about ten years now and, back at school, dance music was always on Saturday with Judge Jules and Pete Tong, but then it moved to Fridays, which I was a bit annoyed about. Saturday's the main night to go out partying, so you need the dance music to get you ready.

It was previously quite a poppy slot. Are you hoping to get more people into dance music?

It's going to be accessible. It's going to be an opportunity to play new dance music to people who aren't necessarily listening to Annie Mac or Pete Tong but, at the same time, its going to be very accessible, so playing DJs that are in the charts and that people have heard of like David Guetta, or Swedish House Mafia.

What's the best thing about your job?

Playing music that you love to a room full of people is something that any DJ loves to do. When you drop that one tune that everyone goes crazy for, it's a great feeling.

What was it like meeting your heroes, like Judge Jules?

Judge Jules actually called me on the day to congratulate me, which was a bit weird. Hearing his voice say, "Hi Danny, it's Jules!" and I was like, "Jules who?" Ha-ha! He offered me a lot of advice, he's also got me

playing for him in Ibiza – I've been to Ibiza as a raver for the past however many years, so to be part of his line-up is unbelievable.

What advice did he give you?

He just said be yourself, don't try to copy anyone, do your thing and relax. And that's the best advice I've ever had. I won't be the next Alan Partridge. I'll stay grounded, humble and true to my Blackpool roots.

Do you have a big entourage when you play a club set?

I'm up there by myself. I like to concentrate on what I'm doing, so I don't have an entourage – yet. Ha-ha!

Do you think you'll start getting loads of free stuff now you're famous?

Well, isn't Judge Jules endorsed by Grey Goose vodka? I'll have to get a word with him about getting that contact! I wonder if they'll still sponsor him now he's moving into law – I can always take it off him. Only joking, Jules!

Thanks for the chat, Danny. Finally, where do you see yourself in five years?

Hopefully still delivering a hit show every Saturday on Radio 1, playing the best clubs in the world, and also maybe having my tracks in the charts, as I'm producing as well. My first full track is out under Spinnin' Records, which is one of the biggest labels in the world for dance music, which I'm so happy about. To be part of that circle is phenomenal.

"I won't become the next Alan Partridge!"

'My fingertip just dropped off!'

Cleaning machine mishap leads to digit disaster!

➔ **THERE ARE** some places in the world where you just shouldn't put your fingers, as *Nuts* reader Chris Hill found out the hard way.

"I was working with a fabric cleaning machine when a piece got caught. I thought I'd just have time to quickly stick my finger

in and adjust it, but then something gripped my hand!" recalls the 27-year-old factory operative from Bolton.

"I had to pull it out really hard, and I remember looking at it and thinking that I could just put a plaster on it, but then my fingertip dropped off! It was all hanging on by a thread. The funny thing is that there

was no pain – the machine had ripped all the nerves off!"

Doctors made a valiant attempt to save the finger but ended up having to sew it over, although Chris tells *Nuts* that it's all healed up and almost back to normal now.

"I'll watch where I put my fingers from now on," he adds. Sterling idea, Chris!

LETTER OF THE WEEK!

Am I doing it right?

I like going down on my girlfriend and she seems to enjoy it, but I haven't got a clue if I'm doing it right. Help!

PETE via email

I'm sure she does enjoy it and I hope you enjoy it, too. The taste of a good woman is a great delight, comparable to great food and drink (at least, I think so!). The main area for your tongue, lips and teeth to work on is her clitoris, if you know where it is. You should also pay attention to her inner and outer labia and perineum – type "vagina" into Google – and if you really want to please her, tickle her anus with the tip of your tongue. Carry on for as long as you're both enjoying it.

bedside cabinet and you might be able to save yourself the expense of buying some new kit. It's unlikely that she would be freaked out – as you've guessed, most women do use them. And just in case you're

worried about this, she won't start thinking that you're inadequate by comparison. Toys are an addition to your various body parts when you're together – they're only a substitute when she's alone.

How do I learn to talk dirty?

My missus says she can't come unless I talk dirty to her during sex. Is she being weird? What on earth do I say?

BELLERS via email

She's not being weird! Dirty talk is normal and can increase a woman's (or man's) pleasure and excitement. It's not as difficult as you think – just remember to vary the things you say to keep it interesting. For example, you could talk about what you're going to do, how you're going to do it, and ask what she'd like etc. Let me know how you get on.

What sort of modelling have you done before this?

I'm still starting out, really. I've done some other mag shoots

and Page 3, but this is just the beginning. Hopefully, I can do one of those really sexy shoots for *Nuts* with lots of other girls - and Lucy Pinder, of course.

Do you have any hobbies?

I love racing horses! In fact, I'm moving to a horse-riding college in Doncaster soon. It's like a residential college that specialises in horses. It's ace, because it's my passion,

but it also helps me keep super-fit for my modelling.

How would you describe your personality?

I'm pretty down-to-earth, really. I don't think I'm that scary, and I'm not the sort of girl who would get freaked out if a bloke started talking to me on a night out. I just like chatting to people and having a laugh, really.

What are you like on a night out?

I'm not a big drinker. My ideal night out would be really chilled and would just involve loads of mates, good music and a bit of dancing.

Finally, what can we expect from you in the future?

I'd love to be in *Nuts* again. I'm really up for trying loads of different fun stuff, so keep the shoots coming!

NUTS FOOTBALL AWARDS 2012

AS VOTED
BY YOU!

It's been another rip-snorting year in the Premier League. You, the *Nuts* readers, voted in your thousands to pick your favourite moments – and the results are in!

BEST TV FOOTBALL SHOW SOCCER SATURDAY

Jeff Stelling and chums have brightened up weekends, mixing up-to-the-minute match updates with top banter.

Merse's stealth
bumming was
pretty impressive

JEFF ON THE AWARD:
"Thanks *Nuts* and your readers for voting for us as your favourite TV show. Who'd have thought a bunch of grumpy old men like us could be so popular?"

YOUNG PLAYER OF THE SEASON

KYLE WALKER

The Spurs defender has had a great season, cementing his place in the Spurs team and winning his first England cap.

NUTS FOOTY AWARDS

Hi Kyle, congratulations on being voted our young player of the season!

Thanks, Nuts!

I'm very proud to receive this. I want to thank those who voted and my team-mates and my family who have supported me.

Your form has been tremendous all season.

What do you put it down to?

I put it down to getting a sustained run in the team. Being in the starting line-up week in, week out has really helped my progress.

How much impact has Harry Redknapp had on you?

I owe Harry a lot. He's put his faith in me this season and I really appreciate that.

Are you still improving?

Of course I am. I try to learn new things every day. I watch a lot of videos of people like William Gallas and Ledley King. They've done it at the highest level for so long.

You broke into the England squad this season. How was that experience?

It was awesome. There are 60 million people in this country and only a few get the chance to represent England, so it's always going to be a proud moment.

Are you hopeful you'll be in pole position for the right-back berth at the European Championships?

Of course, that would be amazing. I'm not the kind of person who sets long-term goals, but the new manager will come in and straight away have to pick 23 players he deems best-equipped to succeed. Hopefully I'll be one of them! ▶

"Er, this, officer?
I just found it
in my pocket"

MANAGER OF THE SEASON
BRENDAN RODGERS

He's guided Swansea to a great season, and their expansive football has seen them become everyone's second team.

Hi Brendan, congratulations on your award! Thanks. I'm very humbled.

Have your team surprised you this season?
I always thought we had the players and unity to make the step up, but they've exceeded expectations.

What were your targets coming into the season?
Our objective was to stay up, but also to defend the principle of how we play.

What are the key factors behind the success?
The players have an ambition to reach the top. Also, there are no inflated egos – the team is the star.

UNSUNG HERO AWARD
MICHEL VORM

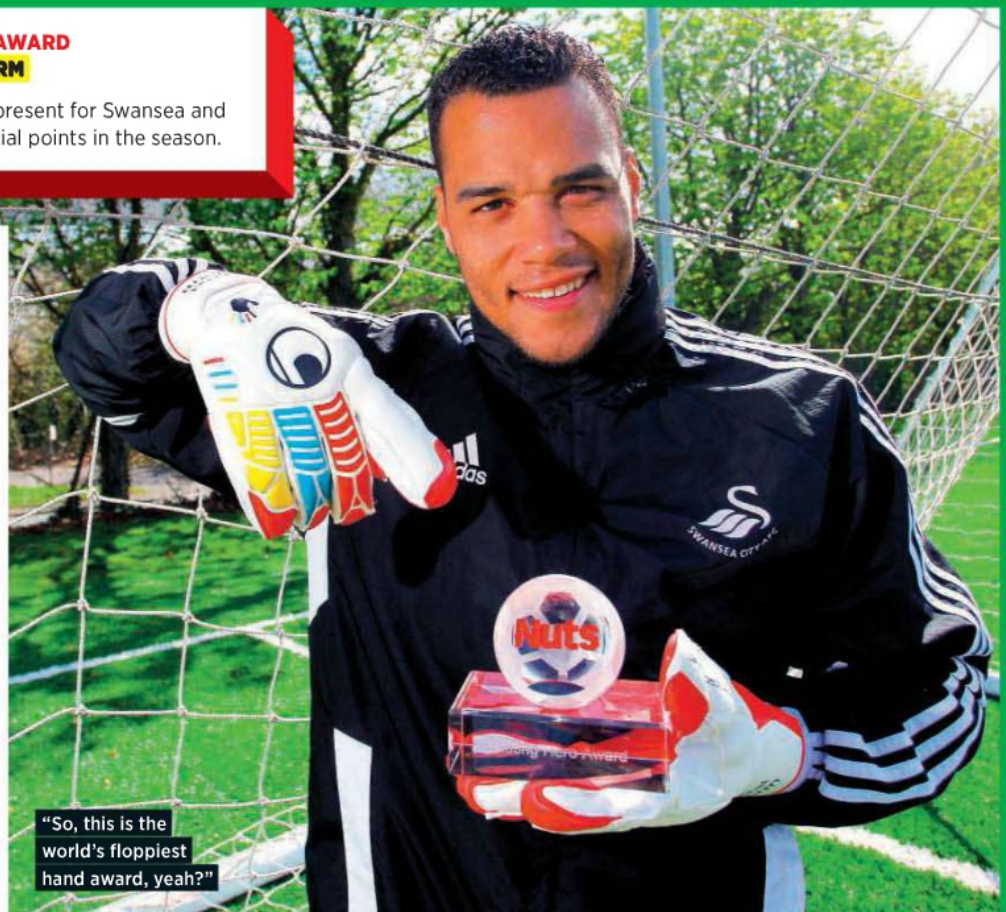

The Dutch keeper has been ever present for Swansea and has made some key saves at crucial points in the season.

Hi Michel, congratulations on your award! Thanks, Nuts! It's always great to win awards.

How have you enjoyed your debut season at Swansea?
It's been incredible to play each week in a team that's performed so well.

How have you made it look so easy this season?
The fact that I was unknown in this country has made things easier.

You've saved a few penalties. What's your secret?
I do my homework, watching YouTube to see which way kickers go.

GOAL OF THE SEASON
PETER CROUCH VS MAN CITY

Crouchy hit a sublime volley from 25 yards to beat Man City keeper Joe Hart and send the Potters faithful into raptures.

Hi Crouchy. That was some strike! Cheers, Nuts! It's the best goal I've ever scored!

Do you practise the long-range volley?
Yes, but it's rare you flush one like that in a game.

Does Stoke's direct style suit your qualities?
I've had to adapt but I think it suits me as so many balls come into the box and that's what I thrive on.

Is an England recall a realistic aim for you?
I'd love to be on that plane to Poland. I've never sampled the European Championships so I'd love to be a part of that this time.

"Told you! I'm definitely wider than a goalpost"

After the bib, his efforts to put clothes on hadn't improved

MOST ENTERTAINING PLAYER
MARIO BALOTELLI

Poor old Mario may have had a controversial season, but he's made us smile. We hope he sticks around next season.

"Look! A balloon!"

PLAYER OF THE YEAR
ROBIN VAN PERSIE

Arsenal's Dutch master has enjoyed his most prolific season. He won twice as many votes as any other player!

NUTS LEGEND MERSE ON RVP:
"Van Persie has had a dream season. He's carried a big club like Arsenal on his own at times. Without his goals, God knows where the Gunners would be in the league - probably mid-table!"

KAMMY ON MESSI:

"The guy's incredible and the best player the world has seen, better than Pele, better than Maradona, better than Best. And he can still get better - he's so young and has so much left to give to the game."

"Where did our Champions League trophy go?"

BEST PLAYER IN THE WORLD
LIONEL MESSI

The Argentine keeps getting better. He broke Barcelona's all-time goal-scoring record and won his third Ballon d'Or.

The re-release of *Titanic* drew a strange cinema audience

JAMIE SMITH - FEATURE WRITER, NUFC FANS WEBSITE - WWW.THEMAG.CO.UK ON THE AWARD:
"Many thanks to the readers of Nuts. It's been a class season for Newcastle fans who've stuck by the club through thin and thinner."

BEST FANS
NEWCASTLE UNITED

The Toon faithful have been in fantastic voice as their beloved Newcastle have enjoyed a season to remember. ▶

NUTS FOOTY AWARDS

"I'd like to thank the Academy, my mum, my cat..."

DEMBA ON HIS AWARD:

"Thanks a lot for the award, *Nuts*! It's been a great season at Newcastle and thanks to all the Newcastle fans for their support."

SIGNING OF THE SEASON

DEMBA BA

The Senegalese star was the man behind the Toon's incredible start to the season – and he was a free transfer!

"Damn, I forgot to top my phone up earlier"

TWEETER OF THE SEASON

JOEY BARTON

Joey's been quoting philosophers, getting into arguments with the cast of *TOWIE* and even slagging off his own fans!

The relaxation classes weren't working

BEST CHAMPIONSHIP PLAYER

RICKIE LAMBERT

The Southampton frontman has notched four hat-tricks as he terrorises defences up and down the country.

"A snow globe!
I've always wanted
a snow globe!"

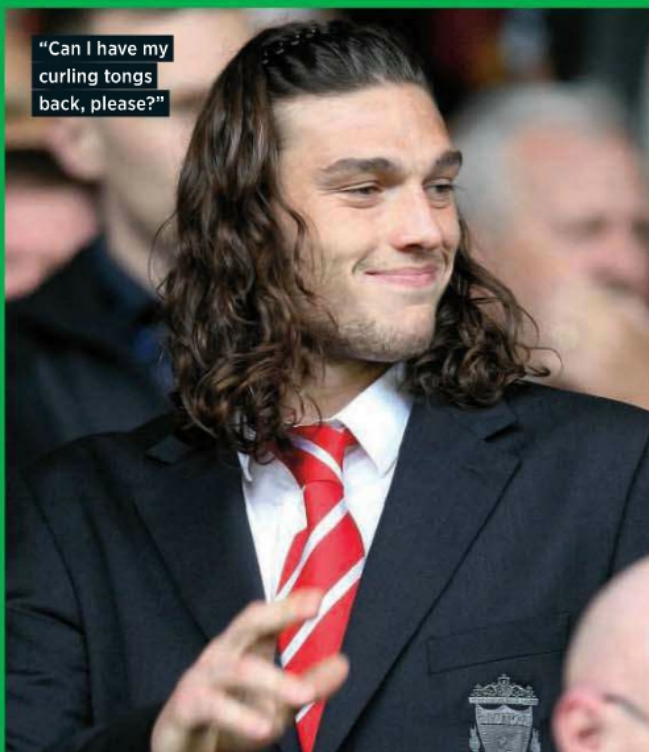

GARY ON HIS AWARD:
"It's great to receive this award.
I'd like to thank everyone in
the Sky Sports team and
the readers of *Nuts*."

BEST PUNDIT
GARY NEVILLE

Gary took the reigns on *Monday Night Football*, giving us top-notch insight. He even mastered the *MNF* iPad controls.

"Can I have my
curling tongs
back, please?"

WORST HAIR OF THE SEASON
ANDY CARROLL

£35m man Andy Carroll hasn't had the best of seasons with Liverpool, and he clearly hasn't found a decent barber.

The award-
wrestling contest
was about to begin

TEAM OF THE SEASON
SWANSEA

The first Welsh club to reach the Premier League have been incredible, staying up and playing great football.

These critters certainly aren't camera shy!

DIRTY DOG!

Clearly the thrill of the hunt got this pesky pooch just that little bit too excited! Down boy!

CAT ATTACK!

The poor pooch was trying to pose for a portrait, but instead he has to share the limelight with his nemesis!

HELLO HIPPO!

We like to think that this meddling mammal thought he was being really subtle. Nice try, big guy!

BIRD ATTACK!

He's not really a bad bird! We all know it was his seagull mates who put him up to attack this poor lady!

CREATIVE CREATURES

GOOSE THAT, THEN?

We never knew geese were such fans of extreme sports! We think they'd make top waterskiers.

DOLPHIN FRIENDLY!

We reckon the penguin taking this snap was pretty annoyed that his trip to the aquarium was ruined!

WHALE OF A TIME!

If this mammoth mammal he was being mischievous, he would have held up a sign saying "Help!"

SNEAKY SLOTH!

We always thought these nocturnal critters were lazy types, but not when there's a photo opportunity!

UDDER CHEEK!

Trust this crazy cow to ruin a picture of a pretty lady posing in a bikini. How dairy! (So, so sorry.)

CELEBRITY SQUIRREL!

We bet this romance-ruining rodent would be happy if he knew he'd end up in *Nuts*! ❌

FAME-HUNGRY FISH!

You're posing for a picture, when, suddenly, a fish leaps out in front of you. Be warned: there's trout about!

RICHARD HAMMOND

The Hamster on lions, elephants, Clarkson and his new wildlife show!

Hello Richard!
You're presenting *Planet Earth Live*, a wildlife show filmed around the world that goes out live three times a week. How does this "live" aspect work? The idea is that you get a taste of what's going on in the animal kingdom all over the world. I'll be in Kenya, Julia Bradbury will be in America and we'll have camera crews all around the globe. What you see when you sit down on your sofa is happening live in the animal world.

So, is it a bit like *Animal Big Brother* then?

Yeah. We're not setting them games and tasks. But no one on *Big Brother* gets eaten or starves or gives birth. Well, I never watch it, to be honest. Do they?

Planet Earth Live facts!

- *Planet Earth Live* is the most ambitious live wildlife series ever undertaken by the BBC's Natural History Unit.
- The series is filmed across thousands of miles and covers six time zones. Julia Bradbury and Richard Hammond will be in locations 8,167 miles apart.
- Teams will be filming in Africa, America, Asia, South America and the Arctic with extremes of night and day, hot and cold, wet and dry locations.
- Across the series a single wildlife camera person will have spent 2,940 hours in the field.
- Animals to look out for include lions, elephants, black bears, grey whales, sea otters, toque macaques, meerkats, polar bears, giant otters and wolves. Hamsters will not be featuring.

Very rarely. What animals are you hoping to see in particular?

I'm going to be following a pride of lions in the Masai Mara in southern Kenya. The lions give birth around now but the wildebeest don't arrive for another month, so the cubs have to wait a month until dinner's ready. I'm going to be seeing baby elephants in northern Kenya. You'd imagine baby elephants are predator-proof as they're enormous, but they're in peril. The rivers they go to for feeding can sweep them away.

What steps are you taking to ensure none of the animals try to mate with or eat you?

By hiding behind the experts I'll have with me. They're the best in the world, not only at filming but also knowing how not to get eaten. If I'm pursued by a lion I don't know what I'll do.

Which animal would be fastest over the *Total Wipeout* course?

I'd love to say an elephant because they're more agile than you'd imagine and it'd be brilliant to watch, but I'm guessing it'd be a lion. But I'm not taking the *Total Wipeout* course with me, so unfortunately we'll never know.

If you see some amazing plains won't you be thinking, "I wonder how fast I could drive the Toyota Land Cruiser around here?"

Ha! You know the Bowler

Tomcat I'm filming all the time on *Top Gear*, the mega monster? I've likened the way the suspension works to that of a big cat sprinting across rough ground. I'm not sure I'd want to see the latest Toyota Land Cruiser blazing across the plain, but I wouldn't mind seeing a lion racing a Bowler Tomcat.

Will Clarkson and May miss you or will they be taking bets on how long until you get eaten?

I'm sure when I leave the big *Top Gear* house I'll leave them by the telly in their cardigans and I'll be gone for a few weeks then I'll be home and they'll pretend they didn't even realise I left.

Thanks, Richard! Finally, if the *Top Gear* presenters were animals on a safari hunt, what animals would they be and how would you hunt them?

James would be a wizened old wildebeest. They're bigger than you'd imagine, fairly wise but easily killed. I'd just pursue him until he dropped. Jeremy would be an old knackered big cat that's been ousted from its pride. You wouldn't need to hunt him because he's about to drop down dead. And I'd be a honey badger because that's what I want to be. They look cute but they're scared of nothing, even though they're smaller than me.

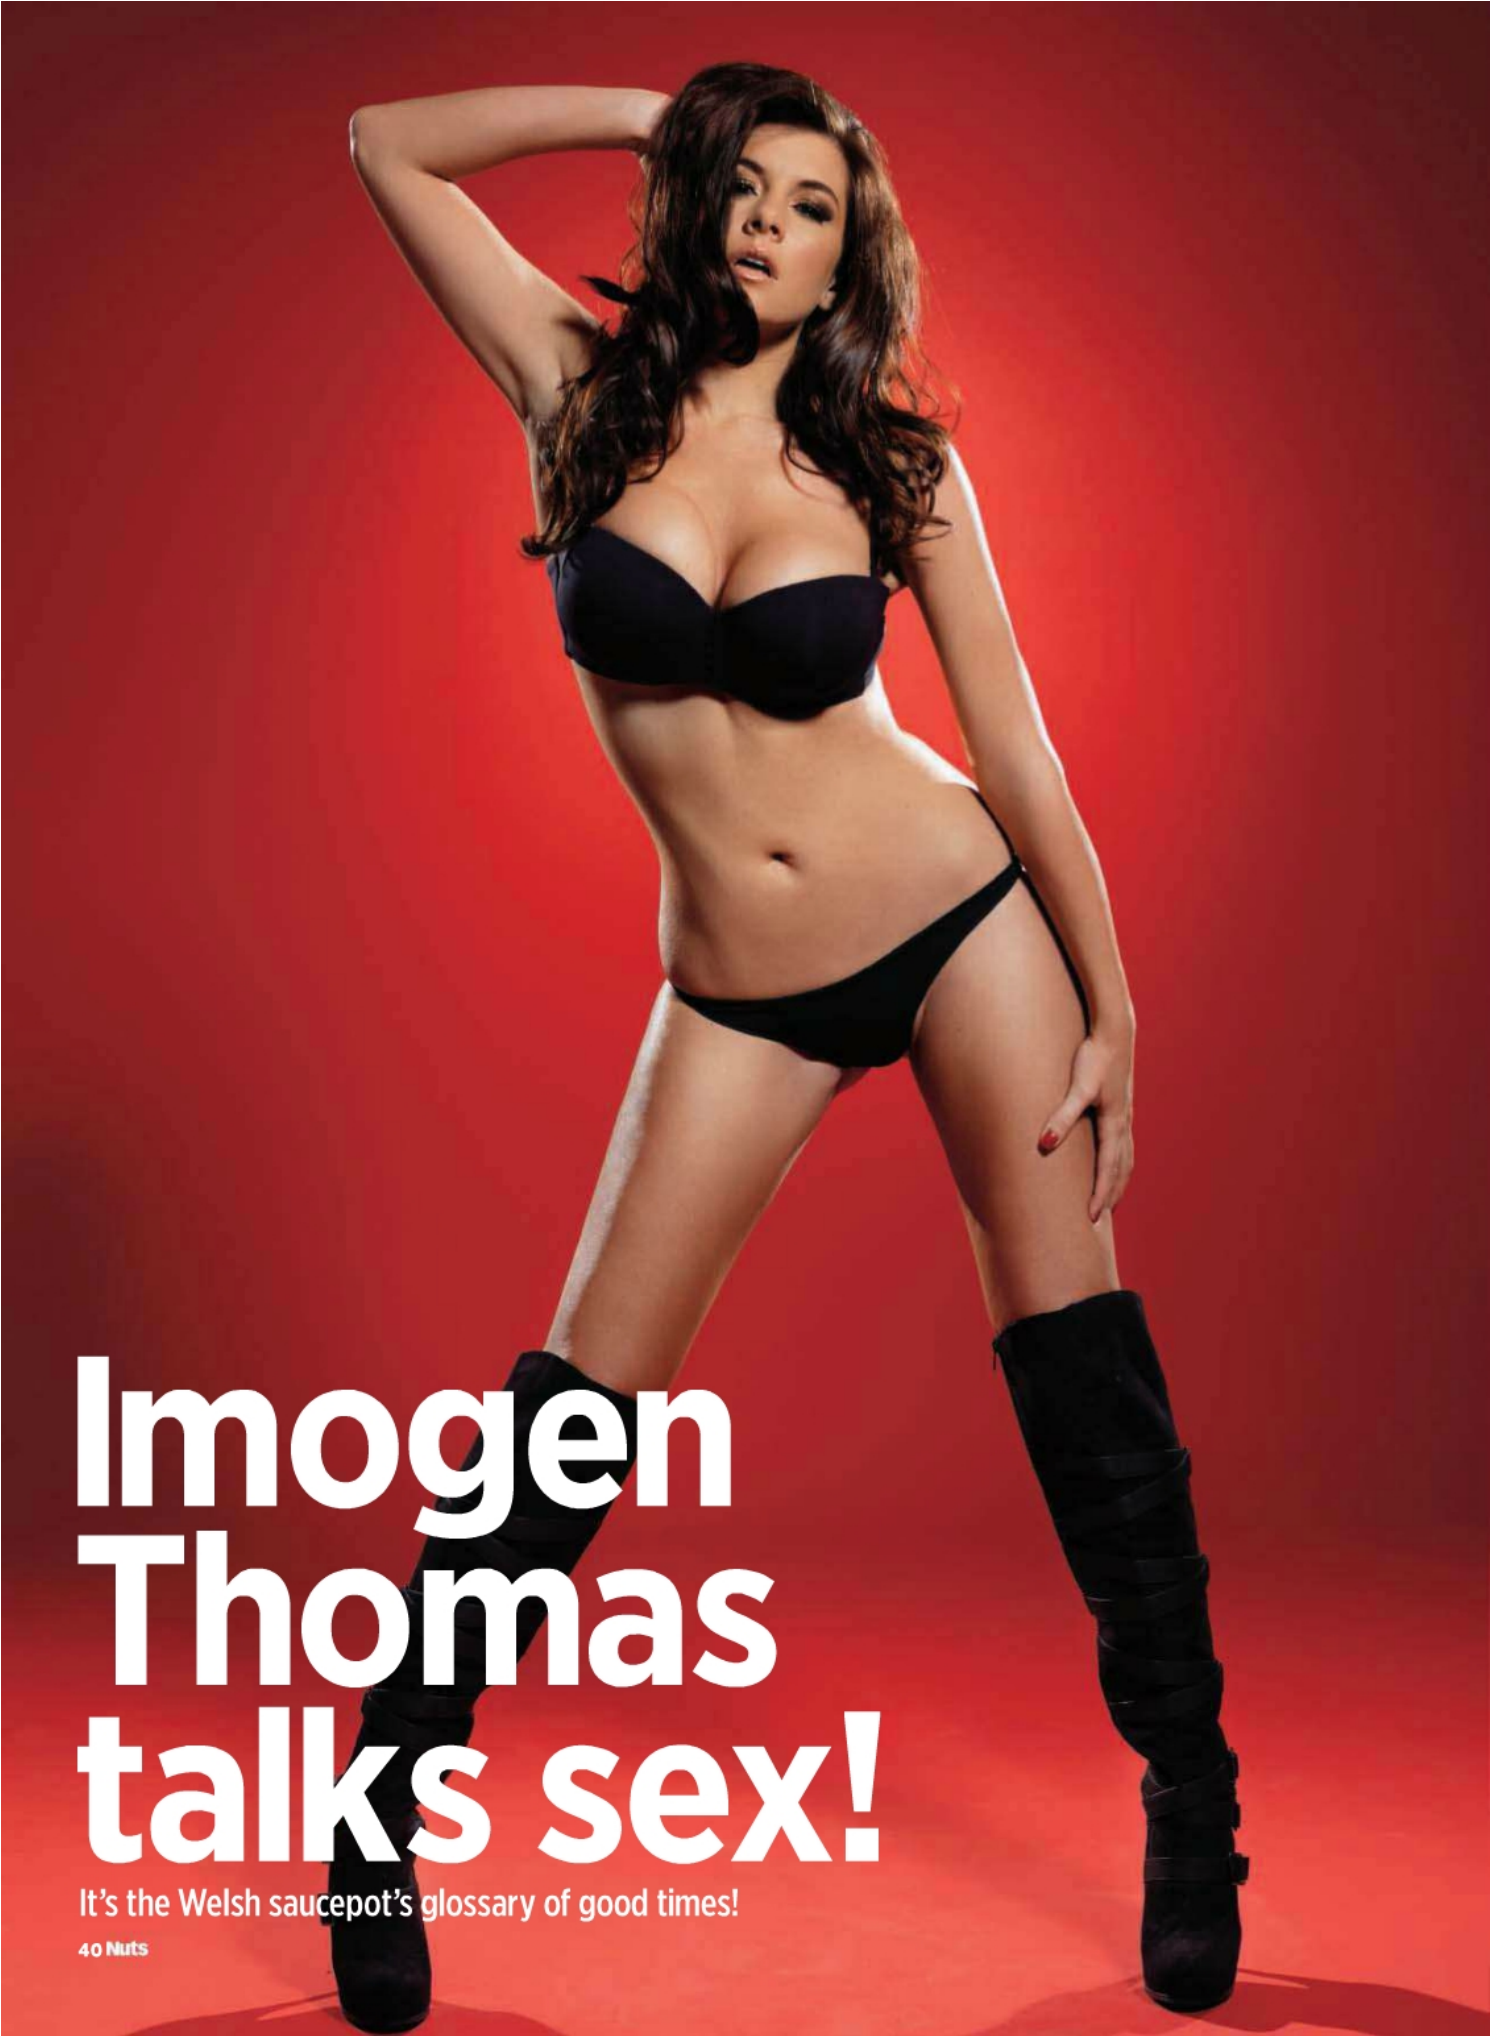

- *Planet Earth Live* starts on 6 May, BBC1/HD and runs three times a week for three weeks

**"Sexy outfits

A FOR AROMAS
"It's true – a great-smelling guy can turn a girl on. My top tip for gents would be to dab a bit of aftershave behind their ears. That way, a girl will smell it when she's whispering to you in a club!"

B FOR BONDAGE
"I think it has become perfectly acceptable to introduce a bit of light spanking into the bedroom. Most girls would draw the line at using scary-looking torture implements or fake willies, though."

C FOR CAMERAS
"Be careful when considering filming your naughtiness. It might seem exciting at the time, but do you really know who's going to end up seeing it? Just look at poor Tulisa!"

D FOR DRESSING UP
"Sexy outfits are a must in the bedroom – they spice things up and drive me crazy! I have a naughty nurse outfit, a schoolgirl one and loads of see-through undies."

E FOR EARS
"Ears are a really important erogenous zone. Whispering nicely into a girl's ear is really sexy and drives a girl wild."

F FOR FOREPLAY
"You don't need me to tell you that foreplay is a really important part of sex. There's no set time for how long you should do it – just do it for as long as possible."

G FOR GAMES
"Sexy games can be fun for when there's a few of you and you're feeling a bit cheeky. Strip poker's great to get you in the mood – especially if you're rubbish at poker."

H FOR HOLIDAY SEX
"Holiday sex is amazing. I always pack loads of sexy lingerie. But remember, holiday romances should stay on holiday." ►

IMOGEN'S A-Z OF SEX

I FOR ICE CUBES
“Involving ice cubes in the bedroom can be really quite sensual, if they’re used in the right places – but the cold can be really off-putting.”

J FOR JELLY
“I’m not a fan of food in the bedroom because it gets so messy! But it can be sexy – I like to eat strawberries and drink champagne in bed.”

K FOR KISSING
“Start with a peck on the lips and work from there. Kissing should be slow and exciting at first, and then get more passionate.”

L FOR LADY-LOVE
“Blokes find girl-on-girl action really sexy. I’ve never kissed a girl, but there are some very pretty ladies out there. Each to their own.”

M FOR MILE-HIGH CLUB
“I guess people are into the thrill of being caught, but there are far more exciting places to try doing it on the ground, first.”

N FOR NEVER SAY NEVER
“I say it’s always nice to try everything once. How will you know whether you like it or not otherwise?”

O FOR OUTDOORS
“Sex outdoors is always so exciting. If you’ve never tried it before, have a go this summer. The beach is a great place for it.”

P FOR PHONE SEX
“I find the idea of actual phone sex really cringey, so why not try some saucy texting instead? If you’re away from your partner, a cheeky text is always really nice.”

Q FOR QUIET SEX
“There are times when you have to do it and stifle your volume, but this can be a real turn-on. It’s that whole thing of not wanting to get caught, isn’t it?” ▶

R FOR ROLE-PLAYING

S FOR STOCKINGS
 "I love stockings! I have about a dozen pairs and they're so good for getting you in a sexy mood. Buy your girl some - she'll love you."

T FOR THREESOMES
 "Sex should stay between two people. A threesome might sound really wild but someone's always going to get left out."

U FOR UNDERWEAR
 "I always wear see-through lacy numbers in the bedroom. If you're buying some to get a lady in the mood, think classy."

V FOR VALENTINE'S DAY
 "You should treat every time you're having sex as if you're impressing your girlfriend on Valentine's Day. That way it's always special."

W FOR WHIPS
 "I've mentioned light bondage already. I don't see any harm in using some cheeky props, but nothing too scary."

X FOR X-RATED
 "I used to live with a guy who once brought a girl back and while they were going at it, she had an unfortunate toilet accident!"

Y FOR Y-FRONTS
 "Guys, when it comes to pants, stay away from the Y-fronts! How about some Calvin Klein boxer shorts? They work every time."

Z FOR ZONES
 "I love my ears getting attention but a cheeky biting of the boobs is acceptable and I love hair-pulling, too. Ask your girlfriend what her special areas are, then concentrate on them." **X**

CONFESSION OF THE WEEK!

'Getting frisky on the train'

LAST WEEKEND, I was travelling up to Edinburgh by train to see my boyfriend, who's in the Army. He kept sending me filthy pics of his semi-naked body in his uniform until I was too horny to sit still. I raced to the loo and, watching myself in the mirror, I rubbed between my legs and fondled my boobs. Just as I was squeezing a nipple and moaning, I heard the door rattle. I came with a gasp and a man's voice called out, "Sorry!" As I left, he went bright red. He thought I'd been on the loo. Little did he know what I was really doing!

Ellie London

'He pushed against me'

I WORK as an air hostess and use the Gatwick Express train to and from work. Quite often, I see this really hot guy who must work at the airport.

I'd often catch him looking me up and down and I'd do the same back to him. One day, the train was busy so I was forced to stand in the aisle with lots of passengers. I bumped up against someone and turned to apologise – it was him! He grinned and squeezed my thigh. I pushed my bum into

him and could feel an erection growing against my tight skirt. I felt his hand rub my bum and fingers go between the slit in the back of my skirt. I pulled it up a little, moved my legs apart and he rubbed me through my tights and knickers as the train rumbled along. I was soaking wet. All too soon, we pulled into the station then, speaking for the very first time, we exchanged names and numbers!

Keira via email

'I did it on the doorknobs'

I GOT a job as a secretary in a warehouse that makes door fittings and closets. One lunchtime last week, I grabbed a magazine and hid in the corner of the huge warehouse. There was nobody nearby and I was feeling a bit frisky, so I let my hand wander up my leg towards my knickers. Then I saw one of the cute workers poke his head round the corner. He'd been spying on me! I quite fancied him so I turned on by him watching me. I called him over and he led me down to a quiet corner, where I pulled my knickers down. Before I knew it we were going at it hard against a stack of doorknobs. I came within minutes. I sneaked back to my desk but we've enjoyed doing it all over the building at lunchtimes since!

Jody Essex

'He rubbed my back'

I PLAY hockey for a local club. Unfortunately, during a game a couple of weeks ago, I pulled a hamstring. When I went to see the team physio, I was shocked to find it was a sexy, young Italian guy. As I stripped off, I could feel his eyes on me, so I gave him a saucy smile as I climbed on the couch. He rubbed my shoulders and back, then my hamstrings, checking where the pain was. His hand lingered on my thigh and I wiggled my hips and turned to look at him. His fingers rubbed between my legs and I moaned. I turned over and pulled him towards me. He kissed me and the next thing I knew, my knickers were round my ankles and he was giving me the most amazing oral. My leg felt much better the next day!

10 RUDE QUESTIONS!

And a real girl to answer them!

Katie

23 **Blackpool**

1 Where's the strangest place you've had sex?

"I got caught having sex in the changing rooms of a lingerie shop because I was being too loud. I can't control myself!"

2 What's your trademark move in the bedroom?

"I don't have a 'trademark move', but I give the best blow-jobs! I love to look in a guy's eyes while giving him the suck of his life."

3 What turns you on?

"Lots of things. I'm bisexual and when I'm having sex with girls or guys, I love to dominate."

4 What's your favourite position?

"Against the wall, with my legs around the guy's waist as he pounds me hard. I love to hear my bum slapping on the wall. If I'm having sex with a girl, she has her legs around my waist while I pound her with my strap-on!"

5 Is it better to give or receive?

"I'm a giver but it's nice to receive, too. If I had to choose, I'd be a giver every time."

6 What would you like to try but haven't yet?

"I'd love to have sex with a policeman in his uniform. It's just the thought of controlling someone who has a very dominating job. It would be kinky to make him play role reversal!"

7 Have you ever got it on with another girl?

"I'm bisexual, so I do more than just get it on with other girls!"

8 What's your favourite role-playing costume?

"I like to wear anything sexy and girly, like a sailor costume or a sexy nurse. Sometimes I just like to wear nothing but a pair of stockings and heels."

9 Have you ever made a sex tape?

"I've made lots of naughty tapes with guys and girls, sometimes both at the same time! My favourites are the blow-job tapes where the guy holds the camera and I look directly into it. I'm turned on just talking about it!"

10 What's the rudest thing you've done?

"Definitely making naughty films. I love how you get to do what you like!"

"Sometimes I wear nothing but stockings and heels!"

Nuts SPORT

"Ooh, this shirt is really chafing on my nipple"

FA CUP SPECIAL!

Drogba: 'We will fight for our lives!'

Chelsea's star striker on the FA Cup final, diving and his future at the club!

➔ **Hi Didier! How the heck have Chelsea been transformed from no-hopers to winners in just a few months?**

Maybe people believed we were over. Maybe they thought we'd become a bad team, but we knew our quality. If you're winners before, you're always winners.

Has it been as simple as a change in manager?

Nothing's as simple as that. Confidence was damaged and our performances were not good. In these situations you have two options – lie down and die or fight for your lives. We chose the last direction.

How important are the senior players at Chelsea?

It doesn't matter if you're young or old, as long as you have the ability and mentality. We're fortunate that we have a group who know how to overcome obstacles. So experience is good. But if the experienced players weren't good footballers they wouldn't be in the team. We've gone through many difficult times and survived but people were quick to write us off, I think.

You were seen as something of a spent force.

Every season I've heard the same. My legs had gone. My

pace was lost. I was not the same player I was. But in many ways I think I'm better because I know a lot more about my game. I can't go on forever, but I think I can keep running for a few years yet.

Are you a "big-match player"?

Every game I want to win, but I guess I've shown some of the best attributes in the important games, yes.

Does the criticism you receive about going to ground too easy ever get to you?

I'm used to these things. They make good stories. I know I'm not a bad person. I try for the team, nothing else.

And the team finds itself in two finals, the first in the FA Cup against Liverpool. How do you see that one panning out?

We're happy to have reached these places, but the job's not done. The FA Cup is very special and for both clubs and their fans it'll be a special day. Hopefully for us, it'll end up more special because we win.

Will we see you in a Chelsea shirt next season?

All I'll say is I love Chelsea, the club is incredible and we've enjoyed a fantastic relationship for many years, and still do. We have much to play for this season. After that we'll see what happens.

"Look what I just found up my nose!"

Suarez: 'We can win two trophies!'

The Liverpool hitman on transfer speculation, Kenny Dalglish and his hairy strike partner!

➔ Hi Luis! Would winning two domestic cups make up for a poor league campaign?

We wanted to be higher in the league, obviously, but to come away with two trophies would be fantastic for the players and the club. It would then give us a base to build on next season.

Can you explain why Liverpool excel in the cups but under-perform in the league?

We've not had luck on many occasions. I've lost count of the number of chances we've had which have been denied by the post, the bar or an excellent save. These are not

excuses because sometimes we've not played well. We'll need more consistency next season but I believe we have many special players here.

With all the off-pitch stuff that surrounded you, has this been a bit of a nightmare season?

I don't look at it that way. Yes, things happened which I no longer want to talk about, but I can see this is a club that's all about the group. You stand together and support each other. Sometimes it's the bad times that make you learn more and then move forward. It brings you together. I hope this is the case with myself and Liverpool.

Andy Carroll has taken a lot of the blame for Liverpool's league form. Can you two strike up a good partnership?

Andy's a great player and I think we're starting to see the true footballer shining through. His physicality and ability make him a perfect partner. I'm confident we can play well together. I'm excited about the future.

So you don't see your future with the likes of PSG?

I have a contract and expect to honour it. This is a fantastic club. The fans have supported us, even when things haven't gone so well. Also the Premier League is

the place to play football, so why would I want to leave?

Is Kenny Dalglish the right man to help Liverpool kick on next season?

The man's a legend. His support for me in football terms, but also as a person, is something I'll never forget. Trust and respect must exist between the coach and his players and here there is lots of this. He knows what it takes to win and I'm sure he'll do the same here. Hopefully with two cup wins, it will be the start of a special journey.

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"I've just won three quid on a scratchcard!"

Uefa are a joke!

Player suspensions must be wiped out for finals!

➔ **IT IS** an absolute travesty that the six players booked in last week's Champions League semi-finals will miss the final through suspension. It's the showpiece event of the footballing year and the best players should be on the pitch, not sat in the stands.

Players like Ramires, Branislav Ivanovic and Bayern's Holger Badstuber all deserve to be on the team sheet in Munich after their heroics last week.

As usual, Uefa have no idea. Every player should start the semi-final stage with a clean slate. Uefa are not football people as far

as I can see – they're so out of touch with the game it's just incredible.

The news that both sets of fans will only receive 17,500 tickets each in the 70,000-seater Allianz Arena is also ridiculous. Over half of the stadium will be filled with the prawn sandwich brigade – it's simply not on!

Poor Pep needs a rest!

IT ISN'T a surprise to see Pep Guardiola announce that he'll leave Barcelona at the end of the season. Over the past four years, he's been under the most intense pressure imaginable. The Spaniard lives and breathes Barca and has got his team as close to footballing perfection as it's possible to get. To sustain that level indefinitely is too much to ask and Pep needs to recharge his batteries and come back fresh in a year or two.

I can't wait to see where he'll eventually end up. Come over to the Premier League, Pep. You might need to bring a broly though!

KAMMY'S UNBELIEVABLE- OMETER™

UNBELIEVABLY GOOD!

BRAZIL BOOST!

I see Team GB are to play the boys from Brazil before the Olympics. There's no bigger test for Stuart Pearce's men and it's always fantastic to see those yellow shirts.

UNBELIEVABLY BAD!

BLONDE BALOTELLI!

Super Mario has been down the barber's again. The mad Italian has had a lot of time on his hands of late but it doesn't excuse his new blonde rinse.

THE BIG MATCH!

"Keep rubbing - I've got terrible indigestion"

Blackburn vs Wigan

7 MAY • Sky Sports 1/HD, 8pm

Everyone may be talking about the battle for the Premier League title but this clash is crucial to the top-flight future of these two teams. Wigan are flying at the moment but Blackburn have a decent record at home and desperately need points themselves!

KAMMY'S PREDICTION: 1-1

Key man

I expect Steve Kean's men to throw the kitchen sink at Wigan to try to get the win, so Wigan keeper Ali Al-Habsi will have to be at his best.

Terry won't lift trophy!

FRANK LAMPARD has said he wants Chelsea captain John Terry to lift the Champions League trophy should the Blues beat Bayern Munich in the final. I have to say, I'm not sure the fans would be happy with that, and neither would JT. The defender knows he let everyone down big time in the semi-final second-leg match against Barcelona and it would be wrong for him to be awarded the trophy on 19 May.

He'd been feeling tired all day

Rangers in deep trouble!

WHAT IS going on in Scotland? The problems at Rangers get worse and worse, with a transfer embargo and huge fines. I feel sorry for the fans, supporting their team week in, week out, only for this to happen. Ex-owner Craig Whyte is a disgrace and checks must be put in place in future.

The vitamins had taken years off Rik Mayall

EXCLUSIVE!

Mayweather: 'No one can stop me!'

The boxing megastar speaks to *Nuts* ahead of his showdown with Miguel Cotto!

➔ **Hi Floyd! You're facing Miguel Cotto for his WBA light-middleweight title this week, but you've been out of the ring for eight months. Will you be a bit rusty?**

Age doesn't matter, neither does ring rust. I still feel in shape. I'm different from other fighters. I get up and run at three or four in the morning and I don't

shadow-box in the gym. I just start sparring. I play basketball to keep myself fit when I'm not training. It doesn't matter how long I've been out or how many times I fight a year, it takes six months to build up to a fight of this magnitude.

Will a fight with Manny Pacquiao ever happen?

If Manny Pacquiao wanted the fight, he could have had it.

Every one of my opponents takes a blood test – it's nothing new, I'm not picking on him.

Do you think Pacquiao's trying to hide something by not taking a blood test?

Well, people don't suddenly get good at the age of 25. People said Floyd Mayweather, LeBron James, Muhammad Ali, Michael Jordan – you could tell were going to be good in high school. Come on, some of us were born at night, but not last night!

What do you say to people who doubt you despite your record?

People can say what they want. This is the hurt business. I'm in it to do my job. To become a megastar and share my talent with the world is a blessing and when I sit back and look at it, I'm very thankful.

What did you think of British fans booing the American national anthem when Ricky Hatton fought you in 2007?

I felt disrespected but they showed tremendous support for him. But fighters are never the same after they face me. I make fighters that are future Hall of Famers look ordinary.

How important is it for you not to lose your undefeated record?

It's important but if someone does beat me I just hope they do it honestly. At the end of the day, people talk about Floyd Mayweather and how much he talks, but I'm fair and honest.

What means more to you, your record or money?

My health is more important to me than money. As long as I have a strong team behind me, no one can stop me.

FLOYD'S RECORD!

Mayweather Jr boasts a 100 per cent winning record from his 42 professional fights to date.

So you'll retire undefeated?

I have a recipe to know how to win. Winning is what matters in life. Even if you're a reporter talking to me, you should want to be the best reporter out there. Whatever it is you do, you should want to be the best at it.

Thanks for the chat, Floyd! Finally, do you fancy a fight with Amir Khan?

Amir Khan would need to face, and beat, Jessie Vargas first, then he has a fight with Floyd Mayweather. In the meantime I'm just going to go out there and represent the red, white and blue like I always do.

The 1980 Chinese film **Romance On Lushan Mountain** has played every day at the Jiangxi Movie Circulation And Screening House in Lushan, China, for the last 32 years.

In 1673, the popular **shipping** route between Dover and Calais froze over.

Sir Chris Hoy was inspired to take up cycling by the movie **ET**.

The Cowardly Lion outfit in the 1939 film **The Wizard Of Oz** was made out of real lion pelts.

A trending topic on Twitter recently revealed that many Americans didn't know that the sinking of the **Titanic** actually happened – they believed the events of the film to be a work of fiction.

In the 18th and 19th centuries, a popular spectacle in Europe was the phenomenon of “**learned pigs**” – porkers that had been trained to kneel, bow, spell names with cards and read minds.

In 1348, the University of Paris published a theory that **bathing** was responsible for the spread of bubonic plague. As a result, almost nobody in civilised Europe bathed for the best part of three centuries.

Pub ammo on... **American Pie: Reunion**

- During filming, 3,625 bottles of beer were used.
- The last act of the film involves an improbable sex act in a cinema!
- The reunion is the gang's 13th anniversary because, according to the plot, the group were too hapless to organise a ten-year reunion.
- There have been eight *American Pie* films, the last being *The Book Of Love*.
- **American Pie: Reunion** is in cinemas from 2 May.
